Principal:	Kerri Modjeski

Brooklyn Elementary School (BKE) has been proudly serving area students since 1883. The school began as a joint school district for children from Green, Dane, and Rock Counties.

Over 130 years later, BKE now houses over 458 students in grades K-4. In total, 588 children are served annually when including students receiving 3K and 4K services.

**The Need:** The section of BKE's playground that was installed in 1994 must be replaced.

- Equipment is 23 years old
- 100+ children on the playground at a time during each recess
- Playground is a gathering place for all children in Brooklyn community
- Limited accessibility for children using wheelchairs or assistive devices

#### **Our Goals Are To:**

1. Update the playground with **safe**, modern, **accessible** play structures
2. Support active, **healthy** lifestyles for students and families
3. Provide a refreshed **community** gathering space

*Because Healthy, Active Kids are Better Learners!*

#### **How You Can Help:**

**DONATE:** Sponsorship & individual brick naming opportunities available  
Fundraising Goal: \$75,000

**VOLUNTEER:** Community build in summer/fall 2017
